

EUROASSEKURANZ Versicherungsmakler AG currently has around 130 employees in Regensburg, Munich and Frankfurt am Main. The internationally-oriented company is closely linked to the globally operating Hyperion Insurance Group through a strategic partnership. As an independent insurance broker, we support companies in identifying and managing their risks and design the right insurance solution for them.

At our office in **Regensburg** we have an immediate vacancy for a

Specialist Advisor (m/f/x) for the Claims Team in our Composite department (full- or part-time)

As a specialist advisor (m/f/x) in property-casualty you support the customer manager (m/f/x) and process business transactions in the areas of contracts and claims.

Your tasks include

- Cross-divisional in-house service (e.g. liability, property and transport insurance) for customers in the commercial and industrial sectors
- Independent, customer-focused, efficient and effective handling of business transactions in operations and claims
- Assistance with tasks relating to ongoing business process optimisation
- Correspondence with customers and insurers
- Data entry and maintenance in the portfolio management system

What we expect from you

- Vocational training as an insurance and finance clerk (m/f/d) or insurance clerk (m/f/d)
- Further training as an insurance specialist (m/f/d) or insurance administrator (m/f/d) desirable
- Several years' professional experience as a specialist advisor (m/f/d) in the field of company insurance at an insurance broker or insurance company desirable
- Customer focus and strong communication skills
- Social competence and ability to work in a team
- Good computer skills, in particular in MS Office

We offer you

- Teamwork in a successful company
- Flat hierarchies and short decision paths
- Personal mentor during the orientation period
- Attractive, performance-related salary
- Many opportunities for further training and development

For more information on what we have to offer as an employer, please visit our website at www.euroassekuranz.eu/werte-prinzipien-2/jobs/
