

EUROASSEKURANZ Versicherungsmakler AG currently has around 130 employees in Regensburg, Munich and Frankfurt/Main. The internationally-oriented company is closely linked to the globally operating Hyperion Insurance Group through a strategic partnership. As an independent insurance broker, we support companies in identifying and managing their risks and design the right insurance solution for them.

At our office in **Regensburg** we have an immediate vacancy for an

## **Insurance Professional (m/f/x) Property-Casualty.**

In your area of responsibility you are responsible for customer-focused and efficient handling of all processes in the area of property-casualty.

### **Your tasks include**

- Responsibility for the implementation and control of all business transactions in operations and claims initiated by the customer, customer advisor or insurer
- Quality assurance/guarantee for services promised to the customer
- Risk assessment and risk transfer
- Negotiations with insurers, in some cases with support from experts
- Close cooperation with experts, portfolio managers and team colleagues
- Ongoing process optimisation

### **We offer you**

- Teamwork in a successful company
- Flat hierarchies and short decision paths
- Personal mentor during the orientation period
- Attractive, performance-related salary
- Diverse opportunities for further training and development

### **What we expect from you**

- Vocational training as an insurance clerk (m/f/d) or comparable qualification
- Further training as an insurance specialist (m/f/d) or insurance administrator (m/f/d) desirable
- Several years' professional experience at an insurance company or insurance broker in the field of commercial/industrial insurance
- Strong customer focus and good communication skills
- Social competence and ability to work in a team
- First management experience desirable
- Good command of office communication tools, especially the MS Office package
