

EUROASSEKURANZ Versicherungsmakler AG currently employs some 130 people at its offices in Regensburg, Munich and Frankfurt am Main. The internationally oriented company is closely networked with the global Howden Broking Group through a strategic partnership. As an independent insurance broker, EUROASSEKURANZ helps companies to identify and manage their risks and to design the insurance solution they need.

Certified according to BS EN ISO 9001
National Accreditation Council
for Certification Bodies

We would like to fill the following vacancy at our **Regensburg** office at the earliest opportunity:

Process and project manager (m/f/x).

You will assist the Head of Company Organisation in all questions relating to the uniform and efficient structuring of business processes and with all related project management.

Your work will include:

- Identifying, analysing and modelling company processes
- Assisting and optimising processes with a view to helping the company to thrive in an agile and dynamic environment
- Helping the product owner to design new services
- Managing and taking responsibility for projects
- Designing and carrying out training on existing applications and systems
- Being responsible for overseeing quality management

Successful candidates will have:

- A degree in economics/business studies or training as an insurance expert (m/w/d) or in a similar field
- Ideally several years of experience in the areas of process analysis and project work
- On-the-job experience with an insurance broker (large accounts) an advantage
- Strong customer focus and communication skills
- Service-oriented outlook
- Proactive and results-oriented approach to work
- Experience in quality management (ISO 9001:2015)

What we offer you

- A team-oriented working environment at a successful company
- Flat hierarchies and short decision-making channels
- Personal mentor during induction phase
- Attractive performance-based salary
- Wide range of training and development options

For more information on what we have to offer as an employer, please visit our website at www.euroassekuranz.eu/werte-prinzipien-2/jobs/

Do you think that we are a good match?

If so, please send us your application documentation in PDF form, indicating your salary expectations and the date on which you could start work. You can either e-mail these to bewerber@euroassekuranz.de or post them to EUROASSEKURANZ Versicherungsmakler AG, c/o Eva Maria Matausch, Dr.-Gessler-Str. 37, 93051 Regensburg, Germany.
