

EUROASSEKURANZ Versicherungsmakler AG currently employs some 130 people at its offices in Regensburg, Munich and Frankfurt am Main. The internationally oriented company is closely networked with the global Howden Broking Group through a strategic partnership. As an independent insurance broker, EUROASSEKURANZ helps companies to identify and manage their risks and to design the insurance solution they need.

We would like to fill the following vacancy at our **Regensburg** office at the earliest opportunity:

Student (m/f/x) or part-time employee (m/f/x) for the Claims Team in our Mobility department.

Your work will include:

- Involvement in everyday business and ongoing processes
- Collecting data
- Preparing claims and sending them to the insurer
- Maintaining customer master data
- Involvement in document management

Successful candidates will have:

- Social skills and an ability to work as part of a team
- Organisation and communication skills
- Interest in working at an insurance broker's
- Good IT skills, particularly in MS Office applications

What we offer you

- A team-oriented working environment at a successful company
- Flat hierarchies and short decision-making channels
- Flexible working hours
- Attractive remuneration
- Insight into the Mobility department of a medium-sized insurance broker

For more information on what we have to offer as an employer, please visit our website at www.euroassekuranz.eu/werte-prinzipien-2/jobs/

Do you think that we are a good match?

If so, please send us your application documentation in PDF form, indicating your salary expectations and the date on which you could start work. You can either e-mail these to bewerber@euroassekuranz.de or post them to EUROASSEKURANZ Versicherungsmakler AG, c/o Eva Maria Matausch, Dr.-Gessler-Str. 37, 93051 Regensburg, Germany.
