

EUROASSEKURANZ Versicherungsmakler AG currently employs some 130 people at its offices in Regensburg, Munich and Frankfurt am Main. The internationally oriented company is closely networked with the global Howden Broking Group through a strategic partnership. As an independent insurance broker, EUROASSEKURANZ helps companies to identify and manage their risks and to design the insurance solution they need.

We would like to fill the following vacancy at our **Munich** office at the earliest opportunity:

Insurance expert (m/w/d) specialising in liability (industrial and commercial).

You will use your expertise to handle all liability insurance-related processes in a cost-effective, customer-oriented way.

Your work will include:

- Identifying and analysing customer risks and evaluating them from an insurance perspective
- Preparing actuarial variance analyses based on the identified risk situation
- Implementing an optimal actuarial risk transfer in the form of coverage solutions on the insurance market
- Involvement in strategic discussions with insurers regarding optimised placement
- Observing the insurance market and updating coverage concepts on an ongoing basis

Successful candidates will have:

- An apprenticeship as an insurance and finance specialist
- Further training as an insurance expert or insurance administrator
- Several years of on-the-job experience as an expert at an insurance broker or insurer in the field of liability insurance and underwriting
- Strong customer focus and communication skills
- Familiarity with standard software (especially MS Office)
- Good command of written and spoken English

What we offer you

- A team-oriented working environment at a successful company
- Flat hierarchies and short decision-making channels
- Personal mentor during induction phase
- Attractive performance-based salary
- Wide range of training and development options
